

The screenshot shows a dashboard with several tiles:

- Office Graph Overview:** Content and signals across O365 auto-populating the Digital Work Graph for teams. Insights derived with machine learning to help YOU get teh job done right NOW.
- QR 3 planning:** We continue our quarterly planning sessions by looking at the top print ads - the Grand Prix and gold winners and the blue dot ads award. Short recap of the future, goals and non-goals.
- Best Ads 2013:** A field study was done for best ads campaigns on customer... the committee consists of representatives from five different sales regions and feedback from... the candidates are...
- Learning plan 2014:** All teams are committed to the 2014 learning plan starting in January... write your goals and achievements in the tool and your direct manager will set up...
- Performance test results:** Excel
- QR3 Milestones:** (Empty tile)
- Modern City Planning Readout:** PowerPoint

Soon, you'll see the **Publish to O365 Video** button on the Mix tab on the PowerPoint ribbon. When you click it, the Office Mix pop up wizard will walk you through the publishing process.

Facebook posted strong third-quarter earnings on Tuesday evening.

The theme of the earnings call was Facebook's future and how the company can use its success to invest in long-term goals that will make it an even stronger company over the next decade.

Facebook's CFO, Dave Wehner, and CEO Mark Zuckerberg both said that next year Facebook would be making a series of aggressive talent and ad-tech investments that would set it up

Staatsecretaris @SanderDekker ontvoert op de #tto25 conferentie zijn ambities voor tweetalig #onderwijs2032

Zo herken je een Echte Vraag - als je het antwoord niet kunt opzoeken via Google:

- als jij zelf het antwoord niet weet;
- als het geen vraag is, verpakt in de vorm van een vraag;
- als je kind bij zichzelf te rade moet gaan: wat denkt, voelt of vindt hij zelf?
